# DESIGNED TO STUN WITH LAYERED SURFACES AND SMART STORAGE.

## TESSERA MAKES SPACES MORE FUNCTIONAL.

This modern design features elements that will delight. The sleek aesthetic promotes a vision of sophistication, while the vast array of storage options allows the user to tailor to their personal needs. The unique wall panel allows storage, shelves, and surfaces to be strategically placed. Layered elements add even more interest. Tessera offers options that exceed expectations.

Tessera's unique adjustable height design adds extra flair and functionality. The desk raises and lowers with an easy to use keypad and reveals complementary or contrasting legs, while concealing the lift mechanism. Raise your worksurface to new heights for standing tasks or intermediate heights to accommodate personal preferences. Take your space to new levels with Tessera.

Design a space that commands attention by combining Tessera's table desk and wall panel solution. The table desk features sleek, angled legs that make a statement and add sophistication. The wall panel supports storage elements and provides display space that can be designed for unique needs.

Tessera's occasional tables are available in a variety of shapes and sizes and can be used to complete any space. Use these additional surfaces to create quaint meeting spaces, add to executive offices, or welcome guests in lobby areas. From a simple station to an executive setting, this comprehensive offering gives you all the pieces necessary to create a cohesive environment that is as beautiful as it is functional.

Not only does Tessera look good, its smart storage options create efficient use of space. Tessera's unique, top access filing system puts important files within arm's reach and the convenient sliding doors cover the filing system to keep your space clean. These sliding doors are available with an integrated security option that protects working files, but does not detract from Tessera's clean lines. Boost the style factor even further by adding mixed materials to the sliding door fronts.

The multi-level shelves allow ample storage for personal items and work materials. Showcase your space by sliding the doors to hide items you don't want on display and highlight those that you do. Tessera allows you to retrieve the materials you need, but feel confident that you can be ready to present yourself at a moment's notice.
