It's not private stock, but it could be with its distinctive grace and grandeur. Casbah portrays stability and confidence. A recessed façade, veneer surface and ability to accent with various finishes brings forth its high end character. Stunning glass high back organizers and cabinets further elevate Casbah's refinement. Casbah's appeal also comes from its performance as it features our environmentally-friendly, water-based UV finish, IntegraClear®, which delivers exceptional durability and clarity enabling the natural wood beauty to really shine. Casbah earns third-party sustainable certifications, level® 3 and SCS Indoor Advantage™ Gold, which can contribute to LEED® points.
